Subject: Thanks a Lot for the Amazing Present

Hey Aniket,

I just wanted to say a big thank you for the **authentic bottle of wine** you gifted me on my birthday! That was such a thoughtful surprise, and honestly, one of the best gifts I got this year.

I really appreciate the effort you put into picking something so unique, it shows you know my taste well. I haven't opened it yet, but I'm saving it for a special evening so we can share a glass together soon.

Thanks again, brother, for making my birthday even more special. I'm really lucky to have a friend like you. Let's catch up soon!

Cheers,
Karan
