Subject: Request for Salary Revision (Front-End Designer)

Dear Jigar Sir,

I hope you are doing well. I'm writing to request a review of my current salary at **Tops Technologies**, where I've been working as a **Front-End Designer** for about a year.

Over this time, I've worked on multiple projects, improved UI/UX designs, and helped ensure our websites remain responsive and visually consistent. I've learned a lot and always strived to deliver quality work that meets our clients' expectations.

Considering my contributions, experience, and the current industry standards, I would like to kindly request a salary revision. I truly value the opportunities and support I've received here and remain committed to contributing my best to the team.

Thank you for your time and understanding. I'd be happy to discuss this further at your convenience.

Warm regards,

Karan Kharvar
